Cant hide love

Do it again

Higher ground

How deep is your love

I can feel your face

I cant go for that

I keep forgetting

I wanna be your lover

I wish

If I ever lose this heaven

I'll be around

Isn't she lovely

Just the two of us

Just the way you are

Let's groove

Lets stay together

Never can say goodbye

Never Too Much

One hundred ways

Play that funky music

Rock with you

Rockin down the highway
